MEMORANDUM FOR: TALENT Control Officer, U. S. Army

SUBJECT: Reference to "CIA" in overseas publications.

REFERENCE: TCS-3563-58 (CIA Policy Agreement)

1. In response to a request received from one of the TALENT Control Officers of the Military Services for a change in CIA security policy wherein the Military Services would no longer be required to delete (sensitize) "CIA" from the text of reports or that all covers be removed from documents or reports indicating that "CIA" as the originator of the report.

2. The TALENT Security Officer, CIA conferred with the Acting Deputy Director for Plans, CIA, the Director of Security, CIA, the Chief, Security Policy Staff, the TALENT Control Officer, CIA, the TALENT Control Officer, DD/I and the TALENT Control Officer, DD/P.

3. It was concluded that there would be no security objection to:

a. TALENT reports originated by CIA containing "CIA" covers and reflecting "CIA" in the text, when such reports are intended to be disseminated to overseas Military Service installations by Military Service components, provided that all such reports will be maintained within the TALENT Control System at overseas Military Service installations
